Mars Floor Lamp

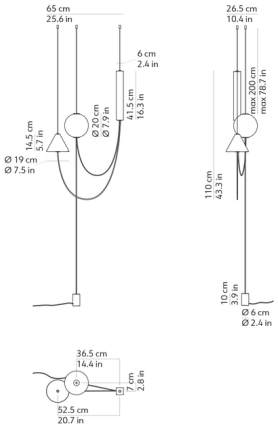
By kdln

CE

Description

The Mars Floor Lamp is a luminous sculpture composed of geometric forms suspended in air like satellites in orbit. The prism and cone shaped accents are crafted from black Marquina marble, adding a solidity to the design which contrasts the light, airy expression of the fixture. The lamp is anchored by a weighted cylinder, which creates tension in the power cord to hold the lamp in place. Dimmer switch located on cord.

Shown in black marble / matte white



Specifications

COLOR	Matte White
BODY FINISH	Black Marble
WATTAGE	17.5W
DIMMER	Included
DIMENSIONS	25.59"W x 43.31"H x 10.4"D
