IP55 Wall Sconce

By kdIn

Description

The IP55 Wall Sconce features an angled opal glass diffuser with a flattened shape, which offers unique perspectives as the sconce is viewed from different angles. IP55's rounded glass captures unexpected reflections and provides a warm diffused glow suitable for a wide variety of applications. As its name indicates, the fixture is IP55 rated for protection against water, making it a perfect fit flanking a bathroom mirror. Includes backplate to cover standard US junction box (not pictured).
