## Tula Chandelier By Hinkley Lighting

### Description

Introduce an element of natural texture and bohemian style to your living space. The Tula Chandelier's artisan-crafted basket shade is hand-strung with draped strands of coco beads, creating a sheer curtain through which the warm light shines across your room. A hand-painted transitional frame suspended from decorative arms wrapped in natural fiber rope features a Burnished Gold finish with brushed distressed detailing that adds visual depth to the design.
