Kora Pendant By Hubbardton Forge

Description

The Kora Pendant introduces sculptural elegance to your interior space. Reimagining the classic cone silhouette, its two offset cones create a striking spiral effect that gives the illusion of depth and movement. A clear glass diffuser softens the glow, casting warm, inviting shadows throughout your space. Sloped ceiling adaptable to 45 degrees. Select a Finish for the canopy, stems, and outer cone and select a Color for the inner accent cone. Note: To create a multi-light option, purchase 3 pendants and use Hubbardton Forge's round or linear canopy, sold separately below, to create your own unique look.

Shown in oil rubbed bronze / modern brass

Specifications
