Iona Convertible Wall / Semi Flush Ceiling Light

By Fredrick Ramond

Description

Balancing chic style and versatility, the Iona Convertible Wall / Semi Flush Ceiling Light's modern, asymmetrical design is defined by artisan-sculpted art glass hand-painted with a smooth ombre transitioning from frosted white to clear. Soft, dimmable LEDs emphasize subtle textures and distinctive details in the glass's surface, further highlighted by an exaggerated backplate. Mount as a sconce or as a sleek flush mount.
