Anthos Convertible Wall / Semi Flush Ceiling Light

By Fredrick Ramond

DAMP

Description

A work of luminary art, the Anthos Convertible Wall / Semi Flush Ceiling Light elevates its floral-inspired form with alluring illumination. Raised edge details and distinct perforations accentuate each blossom crafted from solid unlacquered brass petals. Radiant LED lamps enveloped by blown etched opal glass transform the surrounding space with a captivating interplay of light and shadow. This fixture can be mounted vertically as a semi flush or horizontally as a wall sconce.
