Camille Convertible Semi Flush Ceiling / Pendant

By Fredrick Ramond

Description

Inspired by the grand leaves and distinct veining of anthurium plants, found in the tropical cloud forests of South America, the Camille Convertible Semi Flush / Pendant brings botanical beauty to your living space. Each Distressed Brass layer is artfully laser-cut, shaped, and hand-painted with gold leaf to create a luxe transitional design, suspended by diamond-shaped chains and a tapered canopy. Convertible design can be hung as a pendant or semi-flush mount.
