Hawke Wall Sconce By Troy Lighting

Description

Reminiscent of a hanging tassel, Hawke is jewelry for the wall. Two cones finished in Patina Brass drape from a curved, softly hooked backplate. A rattan-skin wrapped detail along the U-shaped arm introduces a tactile accent, while clear inside-etched glass shades diffuse the light at each end. Thoughtfully balanced and richly detailed, Hawke is a statement in both materiality and design.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
