## Kenton Ceiling Light

By Troy Lighting

### Description

Wrapped in bleached abaca, a minimalist flush mount silhouette becomes a textural statement piece. The wide circular frame of Kenton is fitted with a glossy opal glass diffuser, emanating soft light across a large area. The warming shades of Kenton illuminate modern, coastal, or transitional interiors.\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
