## Ahrens Pendant By Troy Lighting

### Description

The Ahrens pendant celebrates the beauty of craftsmanship. A conical shade is hand-wrapped in natural jute string, woven in an unexpected hatching pattern that gives the form texture, rhythm, and depth. When illuminated, light filters through the weave to create a captivating play of shadow.\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / natural string
