## Roan Floor Lamp By Troy Lighting

### Description

Like a tree trunk reaching for the sky, Roan is statuesque and statement-making. Each lamp features a cylindrical base wrapped in bleached jute rope, showcasing the beauty of the fiber's weave. An off-white linen drum shade lends a softness to the design, accented by Patina Brass hardware. Roan brings a touch of nature indoors. ON/OFF switch on socket.\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / off white
