# Zaire Table Lamp

By Troy Lighting

## Description

Woven entirely from whitewashed sea grass, the Zaire lamp is a textural wonder. A twisted, tapering base creates a distinctive form language that coordinates with a matching shade. Patina Brass hardware introduces a nuanced depth of tone to accent the allover finish. An intentional balance of artistry and nature, Zaire is a showpiece for consoles and tables. ON/OFF switch on socket.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
