# Osgood Table Lamp

By Troy Lighting

## Description

The sculptural silhouette of the Osgood lamp evokes a sense of grounded calm. Finished in a Raked Sand glaze, the ceramic base is balanced and inviting with dimensional curves. A decorative bobeche-like shape is integrated into the form, adding visual interest that bounces the light upwards. An off-white shade with self-trim and concealed Patina Brass hardware complements the earthy tones of Osgood. ON/OFF switch on socket.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / off white
