# Mcalpine Table Lamp

By Troy Lighting

## Description

A celebration of artisanal skill, the McAlpine table lamp pairs an avant-garde design with highly tactile materials. Finished in an Ancient Bronze glaze, the ceramic base reveals tonal depth and a nuanced surface texture that contrasts with the elongated natural linen shade. Patina Brass hardware adds a touch of refinement, completing the design with a glimmer at the neck. ON/OFF switch on socket.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
