Arvin Table Lamp

By Troy Lighting

Description

Made in India, Arvin introduces textural depth and warmth to a classic lamp form. There's a noticeable play of light and shadow across the ridged surface of the domed base, creating movement and dimension. Patina Brass fittings and an off-white linen shade complement the earthy lamp base. The inviting nature of Arvin makes it the perfect accent piece in coastal, transitional, or bohemian interiors. ON/OFF switch on socket.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
