Millbrae Table Lamp

By Troy Lighting

Description

The Millbrae family merges neoclassicism with contemporary softness. The table lamp rests on a honed black Indian marble base with natural veining, lending individuality to every piece. A Patina Brass stem supports the conical off-white linen shade, finished with a sculptural finial. Highly versatile, Millbrae brings an air of luxury to living spaces, bedrooms, and reading nooks. ON/OFF pull chain.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
