## Breton Swing Arm Wall Sconce By Z-Lite

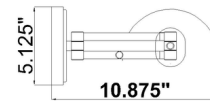

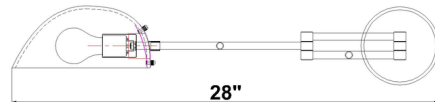

### Description

Bold contrasting tones are striking and stylish as this one-light wall sconce offers function and fashion in one design. Steel forms a structured frame with adjustability to direct lighting from side to side, as well as upward and downward by repositioning its shapely opal white glass hood shade. A superb choice for living rooms and home offices, this dimmable fixture fulfills a host of lighting objectives.

Shown in brushed nickel / white
