Jisele 2-Light Wall Sconce By Z-Lite

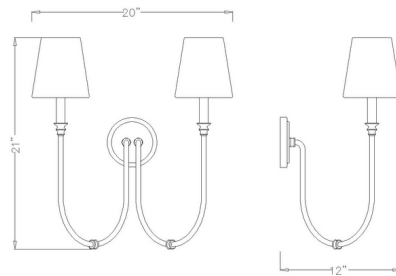

Description

Dual lighting in a two-light sconce shows off a decadent silhouette as this two-light wall sconce offers a timeless design with extra drama. Steel framing is slightly slender yet visually impacting, with deeply curved arms and charming candelabra holders capturing attention. Dimmable light is filtered through conventional tapered linen shades, shedding variable light levels in living rooms, bedrooms, and entryways.

Shown in matte black / white
