Gaultier Chandelier

By Z-Lite

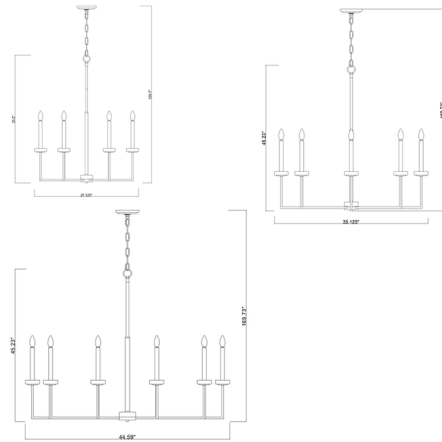

Description

An angular silhouette creates bold personality in lighting, as this chandelier shows off a statement-making motif with a bit of drama. This steel constructed fixture is softened a bit by long, angled arms and torch sleeves holding candelabra style bulb mounts. Charming boboches feature an organic aesthetic, making this multi-light chandelier an enticing choice for dining rooms, living rooms, and entryways.

Shown in matte black / modern gold
