Bentley Color-Select Ceiling Light By Z-Lite

Description

With its stepped metal trim and compact footprint, this traditional LED flush mount ceiling light brings a tailored architectural touch to hallways, laundry rooms, and bedrooms. The circular acrylic lens spreads calm, usable light that makes everyday tasks feel easier, from sorting clothes to reading bedtime stories, while the finish coordinates smoothly with existing hardware. Installed in multiples down a corridor or centered in a cozy room, this understated fixture lends a sense of continuity that helps the home feel thoughtfully connected from space to space. Features color-select technology which allows user to select between 2700K, 3000K, 3500K, 4000K and 5000K color temperature options.
