Renaud Multi-Light Pendant By Z-Lite

Description

From a broad round canopy high above, this LED chandelier releases slender cables to a cascade of clouded glass disks that seem to hover in space. The layered heights and generous lumen output suit double-height foyers and stairwells where you want impressive sparkle along with reliable illumination. Viewed from below or from an upper landing, the composition feels dynamic and refined, turning an everyday circulation space into a place people stop to look up. Features color-select technology which allows user to select between 2700K, 3000K, 3500K, 4000K and 5000K color temperature options.
