Ambrosia Pro Linear Pendant By Marset

Description

The Ambrosia Pro Linear Pendant is a contemporary re-imagining of classic Linestra-style linear lamps that showcases how a function-forward, technical design can also offer a poetic decorative expression. The Ambrosia Pro tweaks the design of the original Ambrosia Pendant to optimize it for workspaces where more controlled lighting is needed. The tubular pendant includes a cell structure with independent lenses to focus light downward on the surface below while minimizing glare. Ambrosia's sleek metal frame gracefully curves upward into the downstem which supports the pendant from the ceiling. Note: The standard overall height of the fixture is 10.5 inches. Additional downrods to extend the drop length can be purchased separately. The rectangular surface mounted canopy requires a 1-gang outlet sized junction box.

Specifications

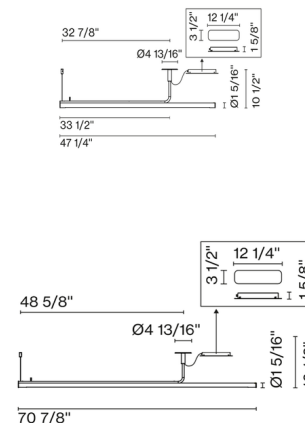

COLOR Black
BODY FINISH Black
WATTAGE 36.6W
DIMMER 0-10V
DIMENSIONS 47.3"L x 1.3"W x 10.5"H
INTEGRATED LED MODULE 1 x LED/36.6W/120-277V LED
COUNTRY OF ORIGIN Spain
