Domus 24V Outdoor Bollard

By Marset

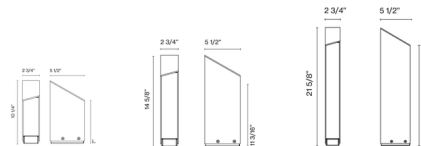

Description

The Domus Outdoor Bollard offers a distinctive silhouette that will enhance the decor of any outdoor space with its strong, architectural lines. The light source is hidden beneath the bollard's slanted top, providing light while reducing unpleasant glare and revealing the fixture's open interior. Note: A 24V LED driver is required, but not included. The driver must be installed in a dry location or an enclosure rated for wet / outdoor locations.

Shown in black
