## Blair Wall Sconce By Capital Lighting

### Description

The Blair Sconce creates a striking visual effect through its layered arrangement of glass elements. Elongated etched glass tubes form an inner arc, framed by a surrounding band of shorter clear tubes, producing depth and texture. This thoughtful construction diffuses light beautifully, casting a soft, radiant glow while adding dimension and movement to the fixture's overall form.

Shown in aged brass / clear

BACKPLATE:  
9.75" x 5" x 1"
