Cortland Picture Light By Capital Lighting

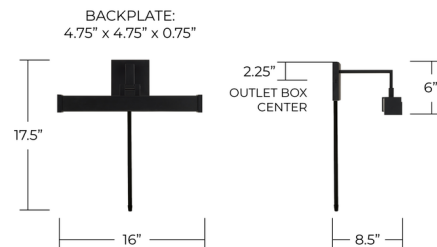

Description

Defined by its clean lines and structured form, the Cortland Picture Light introduces a refined, architectural presence to classic interiors. The streamlined bar and squared backplate create a balanced, modernized take on a traditional design, while the adjustable arm allows for precise positioning of light where it's needed most. Equipped with an integrated LED, this fixture delivers efficient, focused illumination ideal for highlighting artwork or dcor. For added versatility, it includes a convenient plug-in option with an on/off switch located along the cord, making installation simple and user-friendly.
