By Capital Lighting

Description

The Davis Pendant brings a refined, tailored look with its streamlined structure and rounded silhouette. Suspended from a chain, the fixture features a cylindrical frame enclosed by gently curved clear glass panels, creating an open and airy feel.Inside, candle-style sleeves offer a classic touch and can be easily interchanged with the included espresso and brass options, allowing for either a cohesive finish or a subtle two-tone contrast. The result is a versatile design that balances traditional character with clean, modern lines.
