Dominic Ceiling Light

By Capital Lighting

Description

Designed for a sleek, low-profile look, the Dominic Ceiling Light delivers both style and practicality in a modern form. Its streamlined silhouette enhances any space while providing efficient, even illumination.A circular metal frame with a subtle textured detail surrounds the fixture, adding depth and refinement to the design. The glass diffuser softens the light output, creating a comfortable ambient glow ideal for everyday use.Equipped with adjustable color temperature technology, this fixture allows you to select between multiple light tones to suit your environment, offering flexibility for a variety of settings.

Shown in matte black / soft white
