Francesca Chandelier By Capital Lighting

Description

The Francesca Chandelier offers a refined balance of structure and artistry, defined by its gracefully curved forms and layered composition. Its sculptural design creates a sense of depth and movement, making it a striking centerpiece in both modern and transitional interiors. Crafted with attention to detail, the surface showcases a rich, hand-applied texture that interacts beautifully with light, adding dimension and visual warmth. Integrated LED technology enhances its functionality, delivering efficient illumination while maintaining a sleek, streamlined appearance.
