Francesca Color-Select Pendant

By Capital Lighting

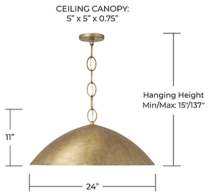

Description

The Francesca Pendant showcases a refined, sculptural presence with its smooth shaped form and elegant suspension detail. A series of elongated links adds visual interest while creating a sense of balance and vertical movement, making it a striking focal point in any space. Designed with integrated LED technology, this fixture delivers both style and performance. The softly contoured shade enhances light distribution, while the adjustable color temperature allows you to select between 3000K, 4000K, or 5000K to suit your environment. Thoughtfully crafted, it offers a sophisticated blend of modern design and functional illumination.
