Gatsby Wall Sconce By Capital Lighting

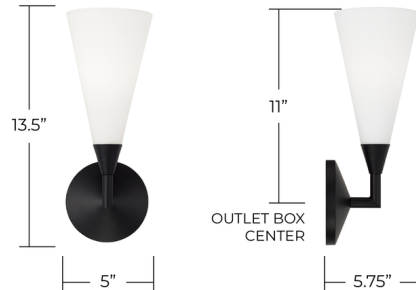

Description

Defined by its clean, tapered profile, this wall sconce brings a refined and modern touch to any space. The soft white glass shade diffuses light evenly, creating a warm ambient glow, while the structure adds a sense of balance and simplicity. A subtly tapered backplate completes the design, giving the fixture a polished, elevated look that works well in a variety of interiors.

Shown in matte brass / soft white

BACKPLATE:
5" x 5" x 1.25"
