## Marcell Wall Sconce By Capital Lighting

### Description

The Marcell Sconce features a refined, modern design that pairs a warm metal finish with integrated LED illumination. A softly curved glass panel diffuses light beautifully, creating a balanced glow while adding depth and dimension to the overall look. Designed with versatility in mind, this fixture includes adjustable color temperature settings, allowing you to select between 3000K, 4000K, or 5000K to suit your space and lighting preference.
