Marlow Linear Chandelier

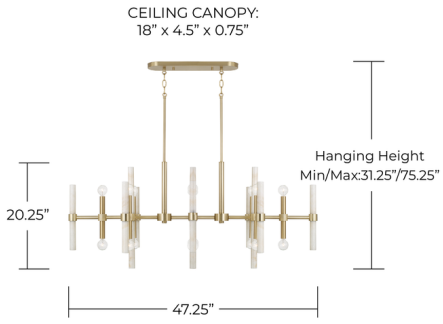

By Capital Lighting

Description

The Marlow Linear Chandelier strikes a refined balance between structure and natural elegance, combining thoughtful design details with organic materials. Centered marble accents create a strong visual anchor, guiding the eye along the length of the fixture while adding depth and contrast.Paired with candle-style sockets that provide both upward and downward illumination, the design delivers a layered lighting effect. A warm brass finish enhances the overall look with a subtle sheen, bringing a sophisticated and timeless presence to the space.

Shown in matte brass / white

EXTENDS: 20"
