Morgan Picture Light

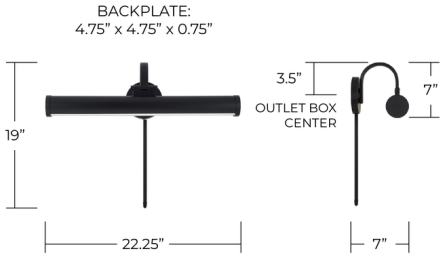

By Capital Lighting

Description

The Morgan Picture Light is designed to enhance artwork, shelving, and display spaces with a refined, modern touch. Its slim, gently curved form houses an integrated LED, delivering focused illumination while maintaining a sleek and understated profile.A pivoting head allows for easy adjustment, making it simple to direct light exactly where it's needed. For added convenience, the fixture includes a plug-in option with an accessible on/off switch, offering flexible installation and everyday ease of use. Can be used as a hardwire or plug in picture light.
