# Myriah Pendant

By Capital Lighting

## Description

The Myriah Pendant showcases detailed craftsmanship through its hand-worked metal surface, giving each piece a distinct character. The outer shade features a textured, hammered pattern that adds depth and visual interest, while the interior offers a more subtle, refined finish for balance. Designed to catch and reflect light from every angle, the fixture creates a warm, dynamic glow that enhances its sculptural form. With its artisan-made quality and thoughtfully layered textures, this pendant serves as both a functional light source and a statement piece.

Shown in tibetan hammered brass
