Noah Wall Sconce By Capital Lighting

Description

The Noah Wall Sconce offers a refined, modern look with its clean, elongated profile and minimalist detailing. A panel of alabaster-style glass gently diffuses light from an integrated LED source, providing a soft and even glow. The design features a full-length backplate complemented by a slim band across the front, adding an elevated visual design. Built to meet ADA standards, it serves as a stylish and space-efficient lighting solution for a variety of interior designs.
