Tyra Ceiling Light By Mitzi

Description

The soft, pillowy form of the Tyra flush mount turns illumination into contemporary sculpture. A spherical matte opal glass shade is paired with a sculptural ceramic cap, in an aged brass and crackle glaze. With a compact 8.75-inch diameter, this petite fixture is flexible for many environments. Mount it on the ceiling or wall to serve as either a flush mount or sconce.*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
