Greard Wall Sconce By Visual Comfort Studio

Description

The Greard Wall Sconce by Alexa Hampton distills the collection's refined simplicity and urban sophistication into a compact, sculptural form. Rooted in Hampton's signature approach to timeless design, this wall-mounted fixture features a natural linen shade that softens light with warmth and elegance. A clear decorative ball detail introduces a subtle touch of glamour, elevating the sconce's sleek silhouette. The sconce is designed for modern interiors and is ideal for hallways, bedrooms, bathrooms, and walk-in closets, where its quiet confidence and elevated materiality bring architectural clarity to intimate spaces.
