Spencer Double Wall Sconce By Visual Comfort Studio

Description

The Spencer Double Wall Sconce by Kate Spade expands the collection's expressive design language into a dual-light profile. A mirrored backplate with a sculptural flower motif anchors the fixture, while two natural linen shades provide balanced illumination and a sense of symmetry. Inspired by the elegance of fine jewelry, this sconce brings a layered, luminous presence to bathrooms, bedrooms, foyers, and dressing areas, offering a refined blend of ornamentation and restraint.
