Ashford Bathroom Sconce By Visual Comfort Studio

Description

The Ashford Bathroom Sconce by Chapman & Myers brings refined industrial detailing to compact bath environments. Designed to coordinate with popular faucet and bath fittings, it features a square arch bracket and circular collar that supports a white cylindrical glass shade. The open collar allows light to shine upward, highlighting the vertically knurled socket cover a subtle yet striking detail that adds texture and depth. With its smaller scale, the fixture is ideal for powder rooms, guest bathrooms, or paired installations beside mirrors, where its tailored geometry and thoughtful craftsmanship offer a clean, versatile lighting solution.

Shown in aged iron / milk
