Augusta Bathroom Wall Sconce By Visual Comfort Studio

Description

The Augusta Bathroom Wall Sconce by Alexa Hampton offers a compact interpretation of the collection's refined bell jar silhouette. Rooted in Hampton's signature style, Augusta blends vintage inspiration with modern expression, featuring blown glass with a richly tactile surface and a subtle stepped backplate that echoes the gentle movement within the glass. This sculptural detailing creates a sense of quiet elegance and architectural clarity. Ideal for powder rooms, closets, hallways, and compact vanities, the profile brings timeless charm and contemporary refinement to intimate spaces.
