## Lois Double Wall Sconce

By Visual Comfort Studio

### Description

The Lois Double Wall Sconce by Ellen DeGeneres expands the collection's sculptural language into a dual-arm profile, offering balanced illumination with a refined aesthetic. With clean, sweeping lines and a minimalist form, the fixture embodies DeGeneres' approach to design: graceful, modern, and quietly expressive. Ideal for bathrooms, bedrooms, foyers, and hallways, the 2-light sconce brings architectural clarity and sculptural elegance to personal and shared spaces alike.
