Ashford Bathroom Vanity Light By Visual Comfort Studio

Description

The Ashford Bathroom Vanity Light by Chapman & Myers offers a balanced expression of the collection's architectural clarity and knurled detailing. Its square arch bracket and circular collar mount a white cylindrical glass shade, while the open collar reveals the vertically knurled socket cover designed to coordinate seamlessly with a range of bath fittings. The vanity is ideal for vanities, guest bathrooms, or transitional layouts, where its refined proportions and industrial elegance bring cohesion and quiet sophistication to the space.
