Abner Outdoor Wall Light

By Visual Comfort Studio

Description

Abner Outdoor Wall Light by Sean Lavin is crafted from StoneStronga proprietary material engineered for enduring outdoor performance. Its open frame design surrounds a solid crystal diffuser, etched to soften and distribute the integrated LED light source with precision. Defined by a sleek, modern profile, the wall fixture brings a contemporary architectural presence to exterior environments. With its compact scale, it is ideal for porches, side entrances, outdoor stairwells, and patio walls. The Abner Collection offers a refined solution for outdoor lighting that withstands the elements while elevating the space.
