Barstow Bathroom Vanity Light

By Visual Comfort Studio

Description

Inspired by a vintage piece of factory glass, the Barstow Bathroom Vanity Light by Chapman & Myers balances industrial heritage with modern refinement. The ribbed clear glass shade, defined by vertical and horizontal cuts, offers a jewel-like texture that catches and diffuses light with elegance. A streamlined metal frame enhances the fixture's clean lines, making the profile perfect for vanities, guest bathrooms, or layered installations. Barstow's thoughtful detailing and timeless simplicity elevate everyday interiors with subtle architectural presence.
