Modesto Outdoor Wall Light

By Visual Comfort Studio

Description

The Modesto Outdoor Wall Light by Chapman & Myers offers a balanced expression of the collection's sculptural detailing and coastal durability. Inspired by the curves of barrel-vaulted ceilings, its rectangular frame features arched openings and a coordinating arched handle that add visual interest and architectural clarity. Constructed from StoneStrong and finished with cream-colored candle covers, the lantern suits patios, porches, and transitional outdoor spaces where its timeless design and weather-resistant build create a welcoming glow. Note: Includes both cream and textured black candle covers for customization.
