Herve Pendant

By Visual Comfort Studio

Description

The Herve Pendant by Paloma Contreras offers a more expansive interpretation of the collection's vintage inspiration. With its elongated tapered shade and elegant chain detail, the fixture brings a sense of graceful proportion and elevated ease. Perfectly suited for dining rooms, foyers, living rooms, and bedrooms, the pendant introduces a sculptural presence that balances sophistication with restraint. Herve transforms classic design into a modern essential where every detail speaks to quiet luxury and refined simplicity.
