Chatsworth Chandelier

By Visual Comfort Studio

Description

The Chatsworth Chandelier by Alexa Hampton is a commanding expression of the collection's modern traditional design. Rooted in Hampton's signature style, Chatsworth reimagines classic forms through a modern, organic lens, blending expansive arms with gentle slopes and a soft transition from the fixture body to the ceiling canopy. This sculptural fluidity evokes a sense of movement and balance, offering a silhouette that is structured yet natural, classic yet current. Ideal for living rooms, dining rooms, great rooms, and foyers, the chandelier anchors the space with quiet sophistication and timeless elegance.
