Lille Pendant

By Visual Comfort Studio

Description

Designed by Paloma Contreras, the Lille Pendant reinterprets a classic hexagonal motif with architectural clarity and casual elegance. The tailored silk shade softens the geometric form, casting a warm, ambient glow that complements the structured center cluster. With its balanced scale and refined silhouette, the pendant is ideal for spaces such as dining rooms, foyers, bedrooms, and living rooms where its sculptural presence adds a layer of sophistication. Lille reflects Contreras' signature approach to design: timeless yet modern, understated yet expressive.
