Endicott Pendant

By Visual Comfort Studio

DAMP

Description

The Endicott Pendant by Kate Spade captures the sculptural essence of the collection in a suspended form. A gently slumped plaster disc hovers over a milk glass sphere, creating a soft interplay of light and shadow. Ideal for kitchens, breakfast nooks, hallways, or powder rooms, this pendant brings a sense of quiet elegance to smaller spaces. Endicott's exploration of form and material remains central, offering a refined accent that feels both modern and timeless.
