## Belaro Pendant By Visual Comfort Studio

### Description

The Belaro Pendant by Ellen DeGeneres expands the collection's tactile sophistication into a larger, more commanding form. Defined by its modern silhouette, soft sculpted materials, and the interplay of fabric wrap and linen drum shade, this fixture embodies DeGeneres' approach to designorganic, refined, and unmistakably modern. The profile is ideal for living rooms, dining rooms, foyers, and bedrooms, where its graceful proportions and layered textures create a focal point that is both inviting and architecturally elegant.

Shown in aged iron / white linen
